DOMINION ORDERS IN COUNCIL.

[1942]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 18th day of September, 1909.

PRESENT:

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior states under date 3rd September, 1909, that the Agent of Dominion Lands at New Westminster submitted in 1905 an application from Mrs. Stella Bingham Eldridge, of Vancouver, to purchase the north end of a certain point of land lying between Bedwell Bay and the North Arm of Burrard Inlet in fractional township West of Township 39, West of the Coast Meridian, and in submitting such application the Agent stated that the whole of this point was a rocky ridge with an occasional little spot near the water where a summer cottage or cottages could be placed, and that he saw no objection to the sale being made after a definite description of the land applied for had been furnished. Thereupon the sale was authorised, and on the 4th October, 1907,

the said Agent of Dominion Lands at New Westminster, a proper description of the land applied for having in the meantime been furnished him, accepted from Mrs. Eldridge the first instalment, amounting to \$90.00, being at the current rate of \$3.00 an acre, on account of the purchase of fractional legal subdivision 5 of Section 25, the fractional N. half of legal subdivision 1, the fractional N. half of legal subdivision 2, the fractional N. half of legal subdivision 3, and fractional legal subdivisions 7, 8 and 9 of Section 26, in fractional township West of Township 39, West of the Coast Meridian, containing a total area of 71½ acres. On the 4th January, 1909, the balance of the purchase money, together with the accrued interest, was paid by Mrs. Eldridge.

The Minister further states that when the sale in this case was sanctioned, the fact was overlooked that the parcels of land above described were included in a tract which was reserved on account of its proximity to Port Moody harbour, under authority of an Order in Council dated 5th January, 1887, from sale and settlement.

The Minister observes that under the circumstances he is of opinion that the sale to Mrs. Eldridge, of the land above mentioned, should be allowed to stand.

The Minister, therefore, recommends that the said Order in Council of the 5th January, 1887, be rescinded in so far as the land sold to Mrs. Eldridge is concerned, and that the sale to her of the said lands be confirmed.

The Committee submit the same for approval.

MUNICIPAL BY-LAWS.**"FIRST STREET SEWER LOCAL IMPROVEMENT ASSESSMENT BY-LAW, 1909."**

A By-law to assess, levy, and collect part of the cost of the construction, as a work of Local Improvement, of a sewer to be known as the "First Street Sewer," on the streets herein-after mentioned, and to raise upon Debenture Loan the necessary moneys to pay a part of the cost thereof.

WHEREAS the Municipal Council of the Corporation of the City of New Westminster did, by resolution, duly pass on the 17th day of June, 1909, determine and specify that it was desirable to carry out the following works, that is to say: To construct a sewer to be known as the "First Street Sewer," on the following streets, namely:—

Dickinson Street (between Merrivale & Elliot Sts.)
Carnarvon Street " "
Armstrong Street " "
Columbia Street (between Merrivale & Leopold Place).
Albert Crescent.
Wellington Street.
Alice Street.
Bushby Street.
Dufferin Street.
Coburg Street and Lane.
St. Anne's Street.
Sarnia Street.
Windsor Street.
Cunningham Street (between Merrivale & Windsor Streets).
Agnes Street (between Merrivale & Dufferin Sts.).
Elliot Street.
Leopold Place (part of).
First Street (from Agnes to Elgin Street).
Royal Avenue (from Clinton Place to Dufferin St.)
Granville Street.
Vancouver Street.
Queen's Avenue (part, between 1st & 2nd Sts.).
Third Avenue " "
Emory Street.
Arbutus Street.
Fourth Avenue (between 2nd & 1st Sts.).
St. Patrick's Street (between 3rd & 1st Sts.).
Oakland Street (between 2nd & 1st Sts.).
Elgin Street (between 2nd & 1st Streets).
Second Street (between 3rd & 6th Avenues).
Fifth Avenue (between 3rd & 2nd Streets).
Brandon Street.
Regina Street (between 4th & 2nd Sts.).
Sixth Avenue (between 3rd & 2nd Streets).
Third Street (between Regina & 5th Avenue).
Fourth Street (between Brandon & 6th Avenue).

And that the said works should be carried out in accordance with the provisions of the "Local Improvement General By-law, 1909."

And whereas the City Engineer upon receipt of a copy of the said resolution did, under the provisions of the said By-law, ascertain and determine the said works or improvements and did make and certify as correct a plan thereof, and did make an estimate of the expense of the cost thereof, and did ascertain, determine and show on said plan what land or real or assessable property will be immediately benefited by the proposed improvements.

And whereas the City Engineer and City Assessor did, after the said plan had been made and certified conjointly ascertain and determine the proportion in which the assessment is to be made on the various portions of land or real or assessable property so benefited and did make a joint report of all such matters to the said Council which report was duly approved of and adopted by the said Council and entered in accordance with the provisions of the said By-law.

And whereas thereafter the City Clerk did cause a notice to be inserted in the "Daily Columbian" and "Daily News," being newspapers published in the said City, to the effect that the said report, or a necessary part thereof, was open for inspection at the office of the Assessor, and signifying the intention of the Council to make the assessment therein set forth.

And whereas within a period of fifteen days from the date of the first publication of such notice no petition being presented against any of the said improvements, the Assessment Roll, showing the property and the amount assessed for the local improvement, was duly prepared and the Clerk did cause a notice to be inserted in the said "Daily Columbian" and "Daily News," being newspapers published in the said City, to the effect that the said Assessment Roll was open for inspection at the office of the Assessor.

And whereas certain notices of appeal having been received by the said Clerk against the said Assessment, a Court of Revision was duly held in accordance with the provisions of the said By-law, and upon the said appeals being abandoned the said Court of Revision did confirm the said Assessment.

And whereas the cost of the said work or improvement is shown by the said report to be forty-two thousand one hundred dollars (\$42,100), and the amount to be assessed against the owners of the real property benefited is shown to be thirty-four thousand dollars (\$34,000), and the amount which the Council propose to contribute to the cost of the work is eight thousand one hundred dollars (\$8,100).

And whereas the Council by resolution affirmed that the said work of local improvement benefits the Municipality at large, and that it would be inequitable to raise the whole cost of such improvements or work by local special assessments, and proposes to contribute the said amount of eight thousand one hundred dollars (\$8,100).

And whereas the Council has decided to distribute the payment of the cost of the said works proposed to be assessed hereunder over a period of twenty (20) years, and to borrow the moneys necessary to defray such cost upon the special rates levied hereunder upon the lands and improvements benefited and upon the guarantee of the Corporation at large.

And whereas the total frontage upon the said work of local improvement of the real property and portions of real property immediately benefited is 22,658 feet, and the proportion of the cost chargeable to the property benefited is, as aforesaid, thirty-four thousand dollars (\$34,000).

And whereas it will require the sum of seventeen hundred dollars (\$1,700) to be raised annually for a period of twenty (20) years to pay the interest of the said debt, and the sum of twelve hundred and sixty-five and 33/100 dollars (\$1,265.33) to be raised annually during the said period for the payment of the debt to be created by this By-law, such last-mentioned sum being sufficient with the estimated interest on the investment thereof to discharge the said debt when the same becomes payable, making in all the sum of two thousand nine hundred and sixty-five and 33/100 dollars (\$2,965.33) dollars to be raised annually as aforesaid.

Now, therefore, the Municipal Council of the Corporation of the City of New Westminster enacts as follows:—

1. That the real property immediately benefited by the said work of local improvement shall be that which is particularly mentioned in the said report, and which is set forth and described in the Schedule following:—

SCHEDULE.

Showing the Real Property immediately benefited, and the proportion in which the Assessment is made on per foot frontage.
